

UNDER 13 PARENT PERMISSION FORM

Your child has requested access to the My Account page on the student Dashboard of the Fuel Up to Play 60 site. Fuel Up to Play 60 is a program founded by the NFL and National Dairy Council in collaboration with USDA, which empowers students to take charge in making small everyday changes at school that can encourage all students to exercise and eat healthy food!

In order to grant your child access to the My Account page of the student Dashboard on FuelUpToPlay60.com, please provide us with the following information for you and your student:

- *Providing a mailing address is optional, and may be removed from a child's account at any time. We collect a mailing address to contact you if your child is qualified and has applied to attend the Student Ambassador Summit or another Fuel Up to Play 60 event. This mailing address will be used to contact you and your child about the event and as an alternative means of communicating with students for special promotions and contests.
- **We collect cell phone numbers to contact you if there is a problem with the form, to send program notifications, to provide each student with an individualized experience on the site, and as an alternative means of communicating with students for special promotions and contests. We will delete your online contact information from our records if you do not provide consent within a reasonable timeframe from when this notice was sent.

Please sign the second page and return both documents to the email, fax, or mailing address at the bottom of page two.

Fuel Up to Play 60 collects personal information from student participants who have reached the Ambassador Level (Level 3 – 30,000+ Points) and choose to complete the registration process on the My Account page of the student Dashboard.

We are collecting this personal information for you and your child in order to obtain your consent. This personal information includes date of birth, first and last name, student and parent email addresses, school name and school zip code. Optional information that may be provided includes gender, a parent's cell phone number, and a mailing address. This information is collected to contact you if there is a problem with the form, to send program notifications, to provide each student with an individualized experience on the site, and as an alternative means of communicating with students for special promotions, contests, and Fuel Up to Play 60 events. This information is collected in accordance with our Terms of Use and Privacy Policy.

Please visit <https://students.fueluptoplay60.com/privacy-policy/> and view the complete Privacy Policy and Terms of Use.

Your consent is required for your child to have access to the My Account page on the student Dashboard on www.FuelUpToPlay60.com. We will not collect, use, or disclose any personal information from your child if you do not provide such consent.

If you grant your child access to the My Account page, he/she can earn Points, win awesome prizes, receive newsletters, and will be encouraged to choose healthy foods and get active for at least 60 minutes every day. However, before we can allow him/her to update the My Account page on the student Dashboard, we need your permission!

To view or change your child's Fuel Up to Play 60 account you can ask your child for his or her username and password and login to www.FuelUpToPlay60.com. From there you should select My Account in the left tool bar on the student Dashboard page.

You can also send an email to StudentAmbassador@FuelUpToPlay60.com with your child's username and date of birth. We will send you your child's account information and you may tell us what edits you would like to make to his or her account. We will make the requested changes for you and email you to confirm the updates have been completed.

To deactivate your child's account or refuse further contact with your child, please contact us with your child's username and date of birth provided as part of your child's account. A parent email address is required so we can ensure that a parent or guardian is requesting the deletion of the account. Once you have contacted us and provided your child's username and date of birth associated with the account, your child's account will be deactivated and his or her personal information will be removed from the Fuel Up to Play 60 database within 7 business days.

By checking the box below and signing, you agree to our Terms of Use and Privacy Policy and confirm that you grant your child access to the My Account page of the student Dashboard on www.FuelUpToPlay60.com. At any time, you may rescind your parental authorization for access to all that FuelUpToPlay60.com has to offer by notifying us in writing at the below mailing address, fax number, or email address.
