Deadline: Wednesday, April 13, 2022

Overview of 2022-2023 Fund Program and Application

- Up to $4,000 per school year is available to qualified K-12 schools enrolled in Fuel Up to Play 60 to jump start healthy changes.

- Funding is divided between Healthy Eating and Physical Activity, with a maximum of $2,000 permitted for Physical Activity.
  - The amount requested for Physical Activity may not exceed the amount requested for Healthy Eating.
  - All funding (max of $4,000) may be devoted to Healthy Eating.
  - Schools are still required to select a Physical Activity Play even if no funding is requested for Physical Activity.

- Review the online Fuel Up to Play 60 Playbook to select one Healthy Eating Play and one Physical Activity Play that your school will implement. You will then request funding to help in implementing the Plays.

- Your application must demonstrate how the funding will increase your students’ access to and their consumption of dairy products (milk, yogurt, cheese). Your local Dairy Council can help you with ideas for how to increase dairy; find their contact information HERE.

- Work together with PE staff and School Nutrition staff, along with any other Fuel Up to Play 60 adults, in selecting the Plays and developing this application.

Special Equipment Offers for 2022-2023 School Year

TWO SPECIAL OFFERS are available in this round of funding:

- Schools can choose to receive one of two equipment packages to implement their selected Healthy Eating Play:
  - Healthy Start Smoothie Kit to help implement the Highlight Healthy Foods Play
  - Mobile Meal Carts Kit to help implement the Breakfast for Everyone Play

- Schools applying for either of these Plays will receive a Healthy Start Smoothie Kit or Mobile Meal Carts Kit in lieu of money for Healthy Eating. Each equipment package is valued at $2,000.

- Schools should select the designated Play on their online application if they would like to receive one of the equipment packages. They will then not be eligible to request additional Healthy Eating funding.
