

Funds for Fuel Up to Play 60 Funding Eligibility & Guidelines

Overview

Funding opportunities are available to any qualified K-12 school enrolled in Fuel Up to Play 60. Sponsored by the National Dairy Council, state and regional Dairy Councils and other supporting organizations, the competitive, nationwide funding program provides money— up to \$4,000 per year, per school — to jump start healthy changes. Funds are used to help your school implement one Healthy Eating Play and one Physical Activity Play from the 2016-2017 edition of the Fuel Up to Play 60 Playbook.

Eligibility

- Schools must be enrolled in Fuel Up to Play 60 for the 2016-2017 school year
- Schools must participate in the National School Lunch Program
- Schools must have a Program Advisor signed up
 - You may start the application before a Program Advisor is designated, but in order to submit your application, your school must have a Program Advisor signed up. You can sign up to be a Program Advisor directly on the online application or on your Fuel Up to Play 60 Dashboard.
- Schools are eligible to apply for Fuel Up to Play 60 Funds if they have received other Fuel Up to Play 60 monies in previous years (from Dairy Council, NFL or other program supporters); however:
 - The current application must include a plan for activities that are different from and/or build upon past funded initiatives.
 - Applications that duplicate your school's funded Fuel Up to Play 60 activities from previous years will not be funded.
 - Your school must have submitted all required reporting in order to receive additional funding.
- Schools are eligible to apply if they have received other funding to support health, physical activity and wellness at their school.

Notes:

- Funding requests may only be submitted by schools, not individuals.
- Schools may submit an application during more than one funding cycle per school year. The total amount of money awarded for the 2016-17 school year (June/November 2016 deadlines) may not exceed \$4,000.
- All applications must contain both Healthy Eating and Physical Activity Plans.
- Applicants must select one Healthy Eating Play and one Physical Activity Play.
- Fuel Up to Play 60 monies and equipment/goods/services are meant to fund and stimulate activities that lead to lasting change within the school environment.

Funding Reporting Requirements

Schools that receive funding must complete the following reporting:

- Supply daily meal and dairy sales data for the previous and current school year.
- An online Use and Impact Report at the end of the school year to document activities, expenditures and impact.
- Failure to comply with the required reporting may prohibit your school from receiving future funding.

Funding Amounts and Limits

- Schools are encouraged to request only the amount of money they will need, from a minimum of \$300 up to a maximum of \$4,000.
- Funding should be used by the end of the 2016-17 school year.
- The amount requested to fund Physical Activity may not exceed the amount requested to fund Healthy Eating.
- The funding limits outlined below include any money and the equivalent value of any equipment/goods/services awarded that is counted for the 2016-17 school year (June and November 2016 deadlines).
 - Kickoff and Promotional Activities: Max of \$500 combined for both Healthy Eating and Physical Activity during one school year.
 - Staff Stipends: Max of \$400 total for internal staff and external professionals, broken down as follows:
 - No more than \$300 may be devoted to internal staff stipends.
 - Internal staff includes individuals at your school who are helping to implement your program.
 - Internal stipends are optional for your school to provide.
 - Outside professionals include outside trainers, speakers and other outside personnel who assist with your Plays.
 - Nutrition Education Materials: Max of \$200

Use of Funds for Fuel Up to Play 60

- Funds may be used to support a range of different program-related activities and Plays, as found in the 2016-17 version of the Fuel Up to Play 60 Playbook.
- Funding may not be used on food sold at school to students, or to subsidize food or the cost of meals served to students in the school meal programs.
- Technology requests must be supported with a strong case that it is central or essential to the proposed program.
- Funding may not be used to purchase equipment for organized sports teams.
- Use of funds is at the discretion of the school's Fuel Up to Play 60 Program Advisor(s) and/or the individual completing this application, working with the school team (students and adults helping to plan/implement the program) and in compliance with any school or district rules governing use of grant funds.
